I support the Peoria County Board's decision to deny PDC's request for a permit to expand its' hazardous waste landfill.

This toxic waste landfill sits over the aquifer which is Peoria area's main water source and is upwind of the entire city.

Safe places and superior means of dealing with waste must be found.

Dear Board,

The polluting of our earth is causing our entire population to be sicker nation. I have worked in the health field for 20 years and have seen the changes in my clients, friends and family. Please keep Peoria a safe place to live. We have done enough damage already. No more. "It doesn't play in Peoria, anymore"

Thank you

Sincerely,
