HEARING OFFICER ORDER

On January 25, 2007, all parties participated in a telephonic status conference with the hearing officer. In an attempt to streamline the hearing in this matter, the petitioner will forward the expected testimony and information to the Illinois Environmental Protection Agency (Agency) for its review. After review, the Agency will draft and forward a letter of recommendation letter. It is anticipated that a hearing date will be discussed at the next status conference.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 29, 2007, at 11:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the matter and their readiness for hearing.
