HEARING OFFICER ORDER

On January 25, 2007, a telephonic status conference was held. The respondent did not appear. The complainant represented that the parties continue to discuss a few issues in the stipulation and proposal for settlement (stipulation). To that end, it was agreed that respondent's answer is now due on or before March 1, 2007.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 22, 2007, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation and proposal for settlement is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
