RE: Case PCB 2006-184

RECEIVED
CLERK'S OFFICE

STATE OF ILLINOIS
Pollution Control Board

PC#175

We support the Peoria County Board's decision to deny Peoria Disposal Company's request to expand its toxic waste landfill.

PDC's hazardous waste landfill should not be expanded, but closed permanently. This toxic landfill sits over Peoria's main source of water and is upwind of the city.

The health and welfare of the community should be first and foremost in any decision by the Illinois Pollution Control Board. We urge you to vote NO on PDC's request for toxic landfill expansion.

Sincerely,

Cynthia Larson
