Dear ILLINOIS EPA,

I AM writing regarding Peoria Disposal Company (PDC) latest claim they "manufacture" Toxic waste. This is nothing more than the latest unscrupulous attempt by their deceitful lawyers to put more toxic waste atop the Sankofa aquifer. They hope to reap millions. What they will do, is leak toxic chemicals into our Sankofa aquifer and thus the Illinois River. PLEASE STOP THEM and AVOID another Superfund disaster.

Thank you,

Sincerely,

Eric Elwood, MD
