Pollution Control Board

PC # 210

To Whom it may concern:

I am writing to show my support of the
Peoria County Board's decision to deny expansion
of its hazardous toxic waste landfill.

I believe that when it becomes necessary
to find alternatives to all this toxic dumping,
alternatives will be found. Otherwise we will continue
with the same practices. Moreover, I find it
incredible that there is even a discussion
of expanding a hazardous waste over a supply
of water.

Surely, a sensible and safe decision must be
made.

Thank you,
