PC#213

Dear I PCB:

Peoria Disposal Co. should not have the name "Peoria" anywhere in its title because it has no regard for 'Peoria' whatsoever -- only for the almighty dollar!

I support the Peoria County Board's decision against expansion of PDC's hazardous toxic waste land landfill.

Close this landfill now and strictly enforce perpetual safeguards -- because it is a "FOREVER" hazard

Protect the air we breathe, the aquifer from which our tap

water is pumped. It's not too late to do the 'right' thing.

Stop PDC from burying Peoria under a superdome of toxic waste. This is more than a 'major' health issue --- this is pure unadulterated ~~INSANITY~~ <sup>INSANITY</sup>.

Respectfully,
