Pollution Control Board

Dear Illinois Pollution Control Board, PC# ~~3~~ 211
I am writing regarding Peoria Disposal Company's

claim that Peoria County Board's decision to expand was unfair. This is patently untrue.

Peoria Disposal Company (PDC) has been trying to use false tactics to further pollute Peoria County and ultimately the Sangamy aquifer (and thus the Illinois River). They hope to reap millions to bury more toxic waste in Peoria. Please prevent them from succeeding with this public health disaster. Left to their own, PDC will create another EPA superfund disaster.
PLEASE STOP PDC.
Thank you,

Sincerely
