PETITION FOR REVIEW

Pursuant to §§ 40 and 57.8(i) of the Environmental Protection Act ("Act"), 415 ILCS 5/40, 5/57.8(i), and to the Board's regulations on Leaking Underground Storage Tank ("LUST") decisions, 35 ILL. ADM. CODE 105.400 *et seq.*, petitioner T-Town Drive Thru, Inc. ("T-Town") submits this Petition for Review of the Illinois Environmental Protection Agency ("Agency") decision attached hereto as Exhibit 1 ("Decision") denying T-Town reimbursement for \$8,109.02 in costs incurred under the LUST program.

Pursuant to § 57.8(I) of the Act, T-Town further requests the Board to order the Agency to pay T-Town's legal costs for seeking payment in this appeal.

I. THE AGENCY'S FINAL DECISION

The Decision of which review is sought is contained in Exhibit 1 hereto.

II. Service of the Agency's Final Decision

The Decision indicates it was mailed March 2, 2007. It was received by T-Town on March 3, 2007.

III. GROUNDS FOR APPEAL

A. The Agency's contention that T-Town's analysis costs "lack supporting

documentation" is erroneous, arbitrary and capricious. 35 III. Adm. Code

732.601(b)(9) and 734.605(b)(9) state that a complete application for payment

consists of the following elements: ...[A]n accounting of costs, including but not

limited to, invoices, receipts, and supporting documentation showing the dates

and descriptions of the work performed. T-Town in fact submitted the required

documentation, which was ignored by the Agency.

B. The Agency's contention that it cannot determine if the \$8,109.02 will

be used for "corrective action activities in excess of those required to meet the

minimum requirements of Title XVI of the Act" is erroneous, arbitrary and

capricious. The application at issue was not for a budget but for

reimbursement. The activities already have been performed and the conjecture

by the Agency is both illogical and erroneous.

IV. CONCLUSION.

For the foregoing reasons, petitioner T-Town Drive Thru respectfully

petitions the Board to reverse the denial of reimbursement in the amount of the

\$8,109.02 and order the Agency to pay T-Town's attorneys' fees for this appeal.

Dear Mr. Buening:

The Illinois Environmental Protection Agency has completed the review of your application for payment from the Underground Storage Tank Fund for the above-referenced Leaking UST incident pursuant to Section 57.8(a) of the Illinois Environmental Protection Act (Act), and 35 Ill. Adm. Code 732, Subpart F. This information is dated October 25, 2006 and was received by the Agency on November 3, 2006. The application for payment covers the period from August 1, 2006 to October 7, 2006. The amount requested is \$171,623.81.

The deductible amount for this claim is \$15,000.00, which was previously deducted from the Invoice Voucher dated June 4, 2001. Listed in Attachment A are the costs which are not being paid and the reasons these costs are not being paid.

On November 3, 2006, the Agency received your complete application for payment for this claim. As a result of the Agency's review of this application for payment, a voucher for \$163,514.32 will be prepared for submission to the Comptroller's Office for payment as funds become available based upon the date the Agency received your complete request for payment of this application for payment. Subsequent applications for payment that have been/are submitted will be processed based upon the date complete subsequent application for payment requests are received by the Agency. This constitutes the Agency's final action with regard to the above application(s) for payment.

An underground storage tank owner or operator may appeal this final decision to the Illinois Pollution Control Board (Board) pursuant to Section 57.8(i) and Section 40 of the Act by filing a petition for a hearing within 35 days after the date of issuance of the final decision. However,

Page 2

the 35-day period may be extended for a period of time not to exceed 90 days by written notice from the owner or operator and the Illinois EPA within the initial 35-day appeal period. Item # Description of Deductions

Cubcontract

1. \$8,109.02, deduction for costs that lack supporting documentation. Such costs are ineligible for payment from the Fund pursuant to 35 Ill. Adm. Code 732.606(gg). Since there is no supporting documentation of costs, the Illinois EPA cannot determine that costs will not be used for activities in excess of those necessary to meet the minimum requirements of Title XVI of the Act; therefore, such costs are not approved pursuant to Section 57.7(c)(4)(C) of the Act because they may be used for corrective action activities in excess of those required to meet the minimum requirements of Title XVI of the Act.

Analytical costs do not have any backup invoices listing the costs for lab costs.

2. \$.47, deduction for handling charges in the billing(s) exceed the handling charges set forth in Section 57.8(f) of the Act. Handling charges are eligible for payment only if they are equal to or less than the amount determined by the following table:

Subcontract or	Eligible Handling Charges
Field Purchase Cost	as a Percentage of Cost
\$0-\$5,000	12%
\$5,001-\$15,000	\$600 + 10% of amount over \$5,000
\$15,001-\$50,000	\$1600 + 8% of amount over \$15,000
\$50,001-\$100,000	\$4400 + 5% of amount over \$50,000
\$100,001-\$1,000,000	\$6900 + 2% of amount over \$100,000

Such costs are ineligible for payment from the Fund pursuant to Section 57.8(f) of the Act and 35 Ill. Adm. Code 732.607.

Handling charges exceeded the sliding scale.
