STATE OF ILLINOIS  
Pollution Control Board

*PC#218*

To Whom It May Concern:

Please, ~~please~~ do not consider reversing our Peoria County Board's decision against expanding an already shameful landfill setting over most of Peoria's water supply. We realize this landfill provides some jobs locally, but at what future expense??? It is no wonder that fifteen other states send their toxic waste here -- better than in their own backyard!

We implore you; do NOT grant a permit in fairness to future generations of Peorians. Your help will be greatly appreciated.

Sincerely,

*Bonnie Meints*
