Dear St. Pollution Control Board,

PL#223

I have been made aware your board will be making a decision soon regarding the Appeal of the Peoria County Board's decision against expansion of the Hazardous Waste Landfill which is operated by Peoria Disposal Company.

I am hoping, praying and urge the Illinois Pollution Control Board to uphold the decision of the Peoria County Board, which was decided after much deliberation, education and input from the citizens of the area, as well as information and feedback from Peoria Disposal Company.

I hope you will do all you can to protect us, protect this area, and encourage PDC to find a less invasive and dangerous spot besides Illinois. There is no price tag that can compare with the loss of human life, human quality of life, and our wildlife and environment.

Sincerely, Linda Crum
