**HEARING OFFICER ORDER**

On April 19, 2007, all parties participated in a telephonic status conference with the hearing officer. The evaluation of Edward Pruum's medical condition by his attending cardiologist was briefly discussed. The evaluation was filed by the respondent Community Landfill Company, Inc., on January 31, 2007.

The complainant represented that it will monitor the related PCB 03-191 matter that is presently before the Board and a related matter in the circuit court.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 21, 2007, at 11:15 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matters and their readiness for hearing.

IT IS SO ORDERED.
