On April 23, 2007, the parties participated in a telephone status conference with the hearing officer. The Illinois Environmental Protection Agency has reviewed respondent's test results. Respondent may haul the affected portions of the site to a landfill, or respondent may bury the affected portions. If respondent chooses the burial option, a detailed plan must be approved by the Agency. Respondent needs time to consider its options, and the parties plan to meet to further discuss the situation.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:00 a.m. on July 23, 2007. The status conference shall be initiated by the complainant.

IT IS SO ORDERED.
