ORDER OF THE BOARD (by G.T. Girard):

On January 26, 2007, the Board, at the parties' request, extended until April 9, 2007, the time period within which Siemens Energy & Automation (Siemens) may appeal a December 14, 2006 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40 (a)(1) (2004); 35 Ill. Adm. Code 105.406. The Agency approved, with conditions and modifications, Siemens' request to modify various previously-approved Site Remediation Program documents (Comprehensive Site Investigation Report, Remediation Objective Report and Remediation Action Plan). These documents concern Siemens' leaking underground petroleum storage tank facility located at 100 McKee Street in Batavia, Kane County. Because Siemens failed to timely file an appeal, the Board dismisses this case and closes the docket.

IT IS SO ORDERED.

I, John T. Therriault, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on May 3, 2007, by a vote of 4-0.
