OPINION AND ORDER OF THE BOARD (by T.E. Johnson):

Today the Board accepts a proposed settlement and dismissal of this administrative citation enforcement action. By way of background, complainant, the Illinois Environmental Protection Agency (Agency), timely filed an administrative citation against respondent, Donald Eichen (Eichen), on December 15, 2004. *See* 415 ILCS 5/31.1(c) (2004); 35 Ill. Adm. Code 108.202(c). The Agency alleged that Eichen violated Section 21(p)(1) of the Environmental Protection Act (Act) (415 ILCS 5/21(p)(1) (2004)) by causing or allowing the open dumping of waste resulting in litter. According to the administrative citation, the violations took place at a site owned and operated by Eichen, designated with Site Code No. 1170150004, and located in the SW quarter of Section 21, Township 1QN, Range 7W, west of the abandoned railroad tracks, north of the east end of Breckenridge Street, in Carlinville, Macoupin County.

Eichen timely filed a petition to contest the administrative citation on January 21, 2005, which the Board accepted on February 3, 2005. On May 31, 2007, the parties filed a stipulation and proposed settlement, accompanied by a request to dismiss Eichen's petition. Under the proposed settlement, Eichen admits the alleged violation of Section 21(p)(1) and agrees to pay the statutory \$1,500 civil penalty. Settlement at 1. The stipulation provides that the "waste located at the site that was the subject of this administrative citation has been removed and properly disposed of." *Id.*

The Board accepts the stipulation and proposed settlement. Under Section 31.1(d) of the Act (415 ILCS 5/31.1(d) (2004)), the Board therefore finds that Eichen violated Section 21(p)(1) of the Act. Generally, the civil penalty for violating any provision of Section 21(p) is \$1,500 for each violation of each such provision. *See* 415 ILCS 5/42(b)(4-5) (2004); 35 Ill. Adm. Code 108.500. The Board accordingly now assesses a civil penalty of \$1,500 for Eichen's violation of Section 21(p)(1). The Board also dismisses Eichen's petition to contest the administrative citation.

This opinion constitutes the Board's findings of fact and conclusions of law.

ORDER

1. The Board accepts and incorporates by reference the stipulation and proposed settlement.
2. The Board finds that Eichen violated Section 21(p)(1) of the Act (415 ILCS 5/21(p)(1) (2004)) by causing or allowing the open dumping of waste resulting in litter.
3. Eichen must pay the \$1,500 civil penalty no later than July 9, 2007, which is the first business day following the 30th day after the date of this order. Eichen must pay the civil penalty by certified check or money order, payable to Environmental Protection Trust Fund. The case number, case name, and Eichen's social security number must be included on the certified check or money order.
4. Eichen must send the certified check or money order to:

Illinois Environmental Protection Agency
Fiscal Services Division
1021 North Grand Avenue East
P.O. Box 19276
Springfield, Illinois 62794-9276
5. Penalties unpaid within the time prescribed will accrue interest under Section 42(g) of the Act (415 ILCS 5/42(g) (2004)) at the rate set forth in Section 1003(a) of the Illinois Income Tax Act (35 ILCS 5/1003(a) (2004)).
6. The Board dismisses Eichen's petition to contest the administrative citation.

IT IS SO ORDERED.

Section 41(a) of the Environmental Protection Act provides that final Board orders may be appealed directly to the Illinois Appellate Court within 35 days after the Board serves the order. 415 ILCS 5/41(a) (2004); *see also* 35 Ill. Adm. Code 101.300(d)(2), 101.906, 102.706. Illinois Supreme Court Rule 335 establishes filing requirements that apply when the Illinois Appellate Court, by statute, directly reviews administrative orders. 172 Ill. 2d R. 335. The Board's procedural rules provide that motions for the Board to reconsider or modify its final orders may be filed with the Board within 35 days after the order is received. 35 Ill. Adm. Code 101.520; *see also* 35 Ill. Adm. Code 101.902, 102.700, 102.702.

I, John T. Therriault, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above opinion and order on June 7, 2007, by a vote of 4-0.

On November 1, 2004, I conducted a re-inspection at the above-referenced site. The property is owned by Donald Eichen. Apparently, the site is an old amusement park as evidenced by the large slide and other rides that have been dismantled and are deteriorating in the weather. Mr. Eichen was sent an Administrative Citation Warning Notice on April 3, 2003 with a compliance deadline date of May 12, 2003 to remove open dumped waste. A re-inspection was conducted on April 22, 2004 with Mr. Eichen and his father present, and an extension was given until June 14, 2004 to properly dispose of all used tires and until October 22, 2004 for all other waste at the site. No written response or receipts for disposal were ever submitted to the Illinois EPA.

I arrived at 11:10 a.m. The site appeared unchanged. Metal machinery is still sitting amidst unmowed vegetation (see photo #001). Mr. Eichen has repeatedly told me about projects he wants to do with the material on site, such as roof the warehouse (see photo #002) to store all the material currently outside (see photo #003) and make the modular building on site into a storage building (see photo #004). Photo #005 shows more metal and railroad ties sitting in weeds. Photo #006 shows a piece of heavy equipment and metal machinery. Photo #007 shows the slide on site with a dismantled vehicle next to it. On the rim used tires, metal scaffolding, plastic tanks and lumber sit among weeds in photo #008. A dismantled amusement ride was observed (see photo #009). Waste, including a fan, concrete drainage pipe, a drum, metal pipes and sheet metal were scattered along the fence on the west side of the property (see photo #010). Used tires that were supposed to be disposed by June 14, 2004 are shown in photos #011, 012, and #013. The painted used tires are from the go-kart track on site. Piles of landscape waste are scattered throughout the site (see photo #014 and #015). I departed at 11:35 a.m.

Continuing violations observed during the inspection are noted on the attached checklist.
