HEARING OFFICER ORDER

On June 27, 2007, all parties participated in a telephonic status conference with the hearing officer. The parties represented that the parties are continuing their settlement discussions, including a supplemental environmental project. The respondent represented that it needs to forward additional comment to the complainant. Over objection, respondent’s answer is now due on or before July 30, 2007. The parties represented that they will submit a proposed discovery schedule in the near future.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 6, 2007, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
