**HEARING OFFICER ORDER**

On July 9, 2007, the parties participated in a telephone status conference with the hearing officer. The parties have started settlement discussions, but cannot make significant progress until respondent gets funding to resolve the compliance issues. The parties agree that the deadline for respondent's answer is extended until such time as it appears that a hearing will be needed.

The parties are directed to participate in a telephone status conference with the hearing officer at 1:30 p.m. on October 15, 2007. The status conference shall be initiated by the complainant.

IT IS SO ORDERED.
