In reference to PCB No. 07-113, Rochelle Waste Disposal, LLC. v. The City of Rochelle, an Illinois Municipal Corporation and The Rochelle City Council.

The inclusion of 37 conditions as part of The Landfill Expansion Agreement was recommended by the Hearing Officer, John J. McCarthy, and Patrick Engineering. In his report Hearing Officer McCarthy stated "I find all of the special conditions recommended by Patrick Engineering, Inc. to be reasonably necessary, supported by the record and necessitated by the previous operating experience."

The Rochelle City Council accepted those recommendations and included the conditions in its approval of the Landfill Expansion Agreement, and subsequently re-affirmed the inclusion of those conditions which were appealed by Rochelle Waste Disposal, L.L.C.
