ORDER OF THE BOARD (by T.E. Johnson):

On July 23, 2007, petitioner, E & L Trucking Company (E & L), filed a motion to dismiss this underground storage tank appeal. E & L states that "the parties have entered into a settlement in which the matters at issue have been resolved and allows the unresolved costs to be resubmitted as indicated therein." Motion at 1. Although respondent, the Illinois Environmental Protection Agency (Agency), does not object to the granting of the motion, E & L states that the Agency "makes no representations or inferences as to the outcome of any review of any resubmission of those unresolved costs." *Id.* The Board grants the motion, dismisses this case, and closes the docket.

IT IS SO ORDERED.

I, John T. Therriault, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on July 26, 2007, by a vote of 4-0.
