**HEARING OFFICER ORDER**

On September 19, 2007, the parties participated in a telephone status conference with the hearing officer. Complainant sent respondent the names of two companies that offer alternative solutions. Respondent reports that one of the companies stated that it has no experience with car washes. Respondent is still waiting to hear back from the second company. If the second company does not work out, respondent asked complainant to narrow down any further alternatives to those that are willing to work with a car wash situation. Otherwise, respondent is prepared to proceed with the prototype solution previously offered.

The parties are directed to participate in a telephone status conference with the hearing officer at 9:00 a.m. on October 22, 2007. The telephone status conference will be initiated by the complainant.

IT IS SO ORDERED.
