HEARING OFFICER ORDER

On September 27, 2007, all parties participated in a telephonic status conference with the hearing officer. The parties represented that discovery is proceeding. The petitioner also represented that the United States Environmental Protection Agency has made some progress on its determination on confidentiality issues it has been reviewing. To that end, the parties may discuss what affect that may have on the above-captioned matter.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 14, 2007, at 11:45 a.m. The status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
