ORDER OF THE BOARD (by N.J. Melas):

This action was initiated by the July 15, 2005 filing of a noise complaint by property owners concerning noise from the "commercial size" air conditioning unit operated at respondent's neighboring office building. On September 24, 2007, the parties filed a joint stipulation and motion to dismiss. The motion recites that the parties have entered into a Confidential Settlement Agreement dated August 20, 2007, and jointly move to dismiss this action with prejudice.

The parties' joint motion is granted. This case is dismissed with prejudice and the docket is closed.

IT IS SO ORDERED.

I, John Therriault, Assistant Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on October 4, 2007, by a vote of 4-0.
