November 2007

Dear Ms. Webb,

I am writing to ask the Illinois Pollution Control Board to uphold the Illinois EPA denial of Peoria Disposal Company's request to expand its hazardous waste landfill. PDC's request for a Class 3 permit modification is ridiculous. PDC claims to be a waste generator — it is not! PDC does not generate waste — it brings waste in and deposits it in the landfill. PDC's claim is an attempt to circumvent the decision of the Peoria County Board. They have already voted to deny PDC's request. You have already upheld their denial. Please oppose PDC's request for a Class 3 permit modification.

Sincerely,
