**HEARING OFFICER ORDER**

On February 7, 2008, all parties participated in a telephonic status conference with the hearing officer. The parties represented that settlement discussions continue and that related issues pending in various courts may affect these proceedings. The petitioner represented that it will file an additional waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on May 1, 2008, at 1:30 p.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
