**HEARING OFFICER ORDER**

On February 25, 2008, respondent participated in a telephone status conference with the hearing officer. Respondent's consultant expects to complete a cost analysis within the next thirty days. Respondent will then decide whether it is more economical to haul the waste off site, or to create an inert landfill. If respondent opts for the landfill, a plan will then be prepared for the Illinois Environmental Protection Agency. If the waste will be hauled, respondent will begin to collect bids.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:30 a.m. on April 21, 2008. The status conference shall be initiated by the complainant.

IT IS SO ORDERED.
