NARRATIVE INSPECTION REPORT

Date: February 29, 2008 Inspector: Sheila Williams

Site Code: 1450200009 County: Perry

Site Name: St. Johns/Cosentino – P. And E. Construction, Pinski

Time: 12:40 P.M. – 1:05 P.M.

GENERAL REMARKS

On February 29, 2008 Rob Mileur & I conducted an inspection of the St. Johns/Cosentino – P. And E. Construction, Pinski site. The inspection was conducted as the result of a complaint that a house was being demolished in DuQuoin & the waste was being relocated to a site at 1043 N. Walnut St. in St. Johns where it was being burned. The complainant indicated Rob Pinski, Billy Davis & two others were taking part in the demolition. The complainant referred me to Ron Darnell who is the DuQuoin Animal & Health Officer who was at the demolition site.

We initially went to the demolition site in DuQuoin. Some of the key people present were Rob Pinski, Billy Davis, Ron Darnell, Dale Spence (Public Works Director), Hilda Cook (owner), Kathy Epplin (neighbor to property & friend of Mrs. Cook) & Jason Van Zandt (Perry County Solid Waste Management). I was informed by Officer Darnell that the City had condemned the house. Mr. Pinski told me they had taken some of the debris to the site in St. Johns, but they had not burned any of it. He said his brother had been working on another demolition project & he had taken some of the waste to the site in St. Johns where he burned it. Mrs. Cook provided me with two documents. The first was a contract signed by Rob Pinski & Hilda Cook. "P. And E. Construction 542-4385" was written at the top of the page. The 618-542-4385 is listed as the

phone number for Billie & Lisa Davis at 622 E. Park St. in DuQuoin. The contract stated that after tearing down four rooms of the house, the front porch & foundation, the contractor was to clean the yard, remove all debris from the property & waste materials were to be taken to the Perry County Landfill. The second document was a letter dated February 29, 2008, addressed to Rob Pinski, care of P. And E. Construction from Aaron Atkins, an attorney representing Mrs. Cook. Mrs. Cook explained that when she became aware of the fact that the contractor was not hauling the debris to the [permitted] landfill, she immediately contacted Mr. Atkins. According to the letter, Mr. Pinski asked Mrs. Cook to rent a dumpster for the waste after the contract had been signed. Mr. Atkins explained that in accordance with the contract, it is Mr. Pinski's obligation to take the waste to the [permitted] landfill & if Mr. Pinski wished to rent a dumpster, he had Mrs. Cook's permission but it would be done at his own expense. Mr. Atkins went on to say that Mr. Pinski is to provide Mrs. Cook with receipts from the landfill for all loads of waste. Mrs. Cook & Ms. Epplin said upon Mr. Pinski reading the letter from Mr. Atkins, Mr. Pinski tore it up. No apparent violations were observed at the demolition site in DuQuoin. We next went to the dump site in St. Johns.

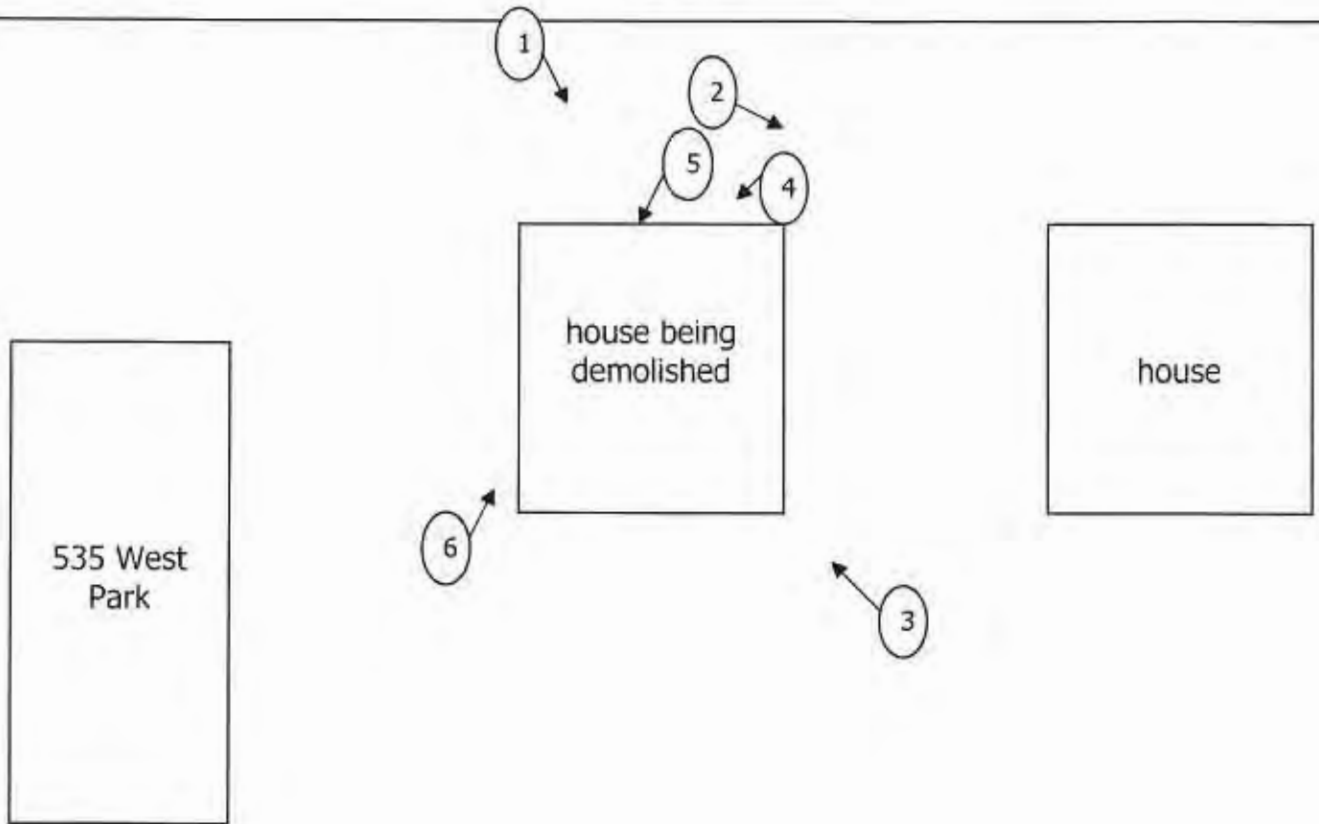

Three areas of apparent violations were observed. These have been designated as Area A, Area B & Area C. Among the waste in Area A were vinyl siding, demolition wood, plastic, ash & metal. It was apparent open burning had taken place in Area A due to the presence of charred material & ash in the central portion of the pile. Also, some of the grass on the outer perimeter was charred as well as some tree branches above the burn pile. Area A was estimated to be approximately 11 cubic yards (20'x10'x1.5') in size. Area B consisted of pieces of dimensional lumber with metal protruding from them. Area B was estimated to be approximately two cubic yards (7.5'x5'x1.5') in size. Waste in Area C included, but was not limited to, a bowling ball, mail addressed to Antony Cosentino, demolition wood, shingles (some were charred), metal, broken glass, concrete & siding. Due to charred debris & charred ground, it was apparent waste had been burned in Area C. Area C was estimated to be approximately

30 cubic yards (40'x10'x2') in size. Later on February 29, 2008 I received an e-mail from Officer Darnell. There were pictures attached that showed Area A in flames.

According to the Perry County Supervisor of Assessments Office, Joseph Cosentino of St. Johns receives the real estate tax bill for this piece of property on which this site is located.

Re: Mrs. Hilda Cook

Dear Mr. Pinski:

Please allow this letter to advise you that I represent Mrs. Hilda Cook. Mrs. Cook has consulted with me pertaining to the contract dated February 25, 2008, which she has entered into with you for demolition of the residence at 517 West Park Street, Du Quoin, Illinois.

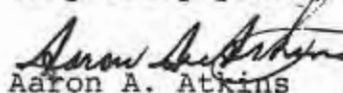

As I understand it, Mrs. Cook understood that you are requesting that she hire a dumpster to facilitate the demolition of the said residence. I have advised Mrs. Cook not to do so as there is nothing in the contract which requires her to incur this additional expense. The contract is quite clear in that you have the obligation to remove the demolition debris to the Perry County Landfill. There is no provision in the contract for her to provide you with a dumpster, therefore, none will be provided by her. If you desire to hire a dumpster at your expense, you certainly have Mrs. Cook's permission to situate such a dumpster on certain areas of the property, to be specified by Mrs. Cook, for the duration of the demolition. However, the rental of such a dumpster must be paid for entirely by you, and the dumpster must be promptly removed after completion of the demolition work.

Accordingly, on behalf of Mrs. Cook, I herewith request that you provide Mrs. Cook with receipts from the landfill for all loads of demolition debris which you so remove to the landfill, and for the dumpster, if you choose to hire same.

Should you have any questions or should anything further be required, kindly so advise.

Thanking you for your kind assistance in this matter, I remain...

Very truly yours,

Aaron A. Atkins
