**HEARING OFFICER ORDER**

On May 8, 2008, all parties participated in a telephonic status conference with the hearing officer. Discussion centered on scheduling a hearing in these matters for the week of September 8, 2008 or the following week. These dates were discussed at the prior telephonic status conference on March 5, 2008. The respondent represented that it would not be available for either of those two weeks due to various conflicts with either the witness or counsel. The respondent was directed to file a status regarding the unavailability of counsel or witnesses for a hearing attempting to be scheduled 4 months in the future. In the status report, the respondent may again address whether it would be available for either of those proposed weeks in September 2008. The due date for the written status report is due to be filed on or before May 22, 2008.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on May 29, 2008, at 10:00 a.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and potential hearing dates.
