**HEARING OFFICER ORDER**

On July 15, 2008, all parties participated in a telephonic status conference with the hearing officer. The respondent represented that a remediation plan is in place but that technical issues remain. The parties represented that they anticipate a meeting prior to the next status conference in an attempt to reach a resolve or flesh out the issues.

The parties or their legal representatives are directed to participate in a telephonic pre-hearing conference with the hearing officer on September 4, 2008, at 1:00 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for their own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
