HEARING OFFICER ORDER

On August 7, 2008, all parties participated in a telephonic status conference with the hearing officer. The parties agreed that the respondent has not complied with the discovery order. The complainant represented that it is reviewing financial ability to pay documents. The complainant anticipates that the review will be completed prior to the next status conference. The respondent noted that a supplemental environmental proposal may be forthcoming.

The respondent’s attorney represented that he anticipates filing a notice of withdraw if the matter is not settled.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 11, 2008, at 1:30 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
