**HEARING OFFICER ORDER**

Respondent filed a motion for summary judgment on July 2, 2008. On August 8, 2008, complainant requested an additional 30 days to file its response to the motion. Complainant stated that it just received the asbestos survey report for the site, and additional time would be needed to get supporting affidavits. Respondent did not object. The request is granted, and the extended deadline is September 15, 2008.

If the Board does not rule on the motion by December 18, 2008, the hearing officer will issue an order advising the parties of the status of the motion.

IT IS SO ORDERED.
