Clinton landfill owner wants rules changed on hazardous waste classification

The owner of the Clinton landfill wants to change the rules when it comes to what classifies as hazardous waste.

DeWitt County officials held an emergency meeting Wednesday night to discuss a request filed by the Peoria Disposal Company. The company is asking the Illinois Pollution Control Board to delist certain hazardous waste so that it's considered not as dangerous. But, the company says it does not plan to bring the treated waste to Clinton.

The Illinois Pollution Control Board will hold a public hearing scheduled for August 18th at 3:00 p.m. at the Peoria Public Library.
