HEARING OFFICER ORDER

On September 16, 2008, Board issued an order directing the hearing officer to schedule a telephone status conference with the parties to set deadlines for the filing of legal briefs. Consistent with the appellate court’s decision, the briefs must address whether the Illinois Environmental Protection Agency abused its discretion in deciding not to hold a public hearing concerning the National Pollutant Discharge Elimination System (NPDES) permit for United States Steel Corporation’s Granite City steelmaking facility.

The parties are directed to participate in a telephone status conference with the hearing officer at 11:00 a.m. on October 14, 2008. The status conference shall be initiated by the petitioner.

IT IS SO ORDERED.
