HEARING OFFICER ORDER

On October 30, 2008, all parties participated in a telephonic status conference with the hearing officer. The parties represented that a draft stipulation and proposal for settlement (stipulation) is being circulated for review and that a few issues remain to be resolved. The parties remain optimistic. It was agreed that respondents' answer is now due on or before January 9, 2009.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on December 9, 2008, at 9:15 a.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
