OPINION AND ORDER OF THE BOARD (by G.T. Girard):

On June 29, 2006, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a two-count complaint against Larry Bielfeldt (respondent). *See* 415 ILCS 5/31(c)(1) (2006); 35 Ill. Adm. Code 103.204. The complaint concerns respondent's residential home development located in Section 29, Township 23 north, Range 3 east of the Third Principal meridian in McLean County. The People and respondent now seek to settle without a hearing. For the reasons below, the Board accepts the parties' stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2006)), the Attorney General and the State's Attorneys may bring actions before the Board on behalf of the People to enforce Illinois' environmental requirements. *See* 415 ILCS 5/31 (2006); 35 Ill. Adm. Code 103. In this case, the People allege that respondent violated Sections 12(a) and (f) of the Act (415 ILCS 5/12(a), (f) (2006)) and 35 Ill. Adm. Code 302.203 and 309.102(a). The People further allege that respondent violated these provisions by (1) causing, allowing, or threatening the discharge of contaminants into waters of the State; (2) failing to maintain adequate site erosion controls to prevent stormwater discharges into a tributary of Kickapoo Creek; (3) causing or allowing the discharge of silt from the site into waters of the State; (4) causing or threatening to cause water pollution; and (5) violating a water quality standard.

On October 6, 2008, the People and respondent filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2006)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2006)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in the *Pantagraph* on October 8, 2008. The Board did not receive any requests for hearing. The Board grants the parties' request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2006); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 III. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of respondent's operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2006)), which bears on the reasonableness of the circumstances surrounding the alleged violations. Respondent does not affirmatively admit the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2006)), which may mitigate or aggravate the civil penalty amount. Respondent agrees to pay a civil penalty of \$12,500. The People and respondent have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
