POLLUTION CONTROL BOARD

NOTICE OF PUBLIC INFORMATION PURSUANT TO 415 ILCS 5/7.2(b)

Section 13.3 of the Environmental Protection Act (Act) [415 ILCS 5/13.3] requires the Board to adopt regulations that are “identical in substance” to U.S. Environmental Protection Agency (USEPA) wastewater pretreatment rules adopted pursuant to Sections 307(b), (c), and (d) and 402(b)(8) and (b)(9) of the Federal Water Pollution Control Act, 33 USC § 1317(b), (c), and (d) and 1342(b)(8) and (b)(9) (2006). These rules are contained in 35 Ill. Adm. Code 307 and 310. (Parts 307 and 310 are to be amended in docket R08-5.)

Section 17.5 of the Environmental Protection Act (Act) [415 ILCS 5/17.5] requires the Board to adopt regulations that are “identical in substance” to U.S. Environmental Protection Agency (USEPA) underground injection control (UIC) rules adopted pursuant to Sections 1412(b), 1414(c), 1417(a), and 1445(a) of the federal SDWA (42 U.S.C. §§ 300g-1(a), 300g-3(c), 300g-6(a), and 300j-4(a) (2006)). These rules are contained in 35 Ill. Adm. Code 730 and 738. (Part 611 is to be amended in dockets R08-7 and R08-13.)

Section 7.2(a) of the Act requires the Board to complete its identical-in-substance rulemaking actions within one year after the date of the USEPA action on which they are based. Section 7.2(b) allows the Board to extend the deadline for adoption by publication of a notice of reason for delay in the *Illinois Register*.

By an order dated March 6, 2008, the Board consolidated dockets R08-5, R08-7, and R08-13, in order to expedite consideration of all of the amendments. By that order, the Board also set forth reasons for delay and extended the deadline for final action on the amendments from March 12, 2008 to August 15, 2008.

On August 7, 2008, the Pollution Control Board adopted a proposal for public comment in this matter. A segment of that opinion and order set forth reasons for delay and extended the deadline for final action on the amendments in the consolidated update docket R08-5/R08-7/R08-13 until December 1, 2008. In that opinion and order, the Board stated as follows:

**TIMETABLE FOR COMPLETION OF THIS RULEMAKING AND  
EXTENSION OF THE DEADLINE FOR FINAL ACTION**

Under Section 7.2 of the Act (415 ILCS 5/7.2(b) (2004)), the Board must complete this rulemaking within one year of the date of the earliest set of federal amendments considered in this docket. USEPA adopted the earliest federal amendments that required Board attention on March 12, 2007, so that the deadline for Board adoption of these amendments under that provision was March 12, 2008.
