Subject: PCB Case # 2007-146, Fox Moraine LLC v. United City of Yorkville.

Date: May 19, 2009.

Dear Sirs,

I am writing you to express my opinion regarding the fairness of the landfill hearings PCB case #2007-146. I attended almost every meeting during the landfill hearing process. I made several observations of Fox Moraine LLC team's presentations during this hearing process. I believe they received a fair evaluation during this landfill siting process. The indisputable facts against the landfill siting did not support their desire to have their landfill granted and located in Yorkville. Fox Moraine LLC has invested money in this project. It is my opinion they just do not want to accept the outcome of these hearings.

Respectfully,

James A. La Porta
