STATE OF ILLINOIS
Pollution Control Board

This letter is to contest your citation against me Thomas + my wife Valerie Hill, the citation was issued on our property in Anna Ill. on Lot 18 on ussey street.

Any thing more than this letter you need to explain how to go about doing so.

Since we have to appear before the Board, I would to request the information on who turned us in to the E.P.A. on Lot 18 on ussey street + on our property on Christian Chapel Rd in Anna Ill. Now can we defend ourselves without knowing who turned us in to the E.P.A. The information could also be helpful in our lawsuit against the city of Anna + a neighbor over a road closure on Lot 18. It would be nice + helpful to have the above information before July 17. the date we go to court.
