## **HEARING OFFICER ORDER**

On August 10, 2009, the parties participated in a telephone status conference with the hearing officer. Complainant recently learned that the second phase of this subdivision is owned by a different L.L.C. with some of the same principals, along with additional owners. Complainant is deciding whether the complaint will need to be amended. The parties are close to reaching an agreement, but the parties want to ensure that the second group is factored into the settlement language.

The parties are directed to participate in a telephone status conference with the hearing officer at 9:30 a.m. on November 9, 2009. The status conference shall be initiated by the complainant.

IT IS SO ORDERED.
