AMENDED HEARING OFFICER ORDER

On November 19, 2009, all parties participated in a telephonic status conference with the hearing officer. The complainant represented that it was not going to respond to respondent's motion for leave to file a reply, filed November 6, 2009. By agreement, the respondent's answer is now due to be filed on or before January 8, 2010.

The parties represented that they await the Board's decision on respondent's motion for reconsideration.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on December 21, 2009, at 9:45 a.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
