HEARING OFFICER ORDER

On December 21, 2009, all parties participated in a telephonic status conference with the hearing officer. The parties represented that it appears that they have reached a settlement and that the stipulation and proposal for settlement (stipulation) is being circulated for review. By agreement and, if needed, the respondent's answer or other pleading is now due to be filed on or before March 12, 2010.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on February 25, 2010, at 2:00 p.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
