**HEARING OFFICER ORDER**

On February 25, 2010, the parties informed the hearing officer that they continue with settlement discussions and that the respondent is still reviewing the stipulation and proposal for settlement (stipulation). To that end, the respondent’s answer or other pleading is now due to be filed on or before April 23, 2010.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on April 8, 2010, at 2:00 p.m. The telephonic conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
