HEARING OFFICER ORDER

On February 25, 2010, all parties participated in a telephonic status conference with the hearing officer. The parties represented that discussions continue with the respondent and the United States Environmental Protection Agency regarding a model permit that may serve as a model for the above-captioned appeal and related appeals.

To that end, respondent’s answer and record are due to be filed on or before May 28, 2010. The answer and record due date may be revisited at the next telephonic status conference.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on May 13, 2010, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
