OPINION AND ORDER OF THE BOARD (by A. S. Moore):

On February 29, 2008, the Illinois Environmental Protection Agency (Agency) timely filed an administrative citation against Carol G. Prieb and Margaret Dillavou (collectively, respondents). The Agency alleged that, on January 10, 2008, respondents violated Sections 21(p)(1), (p)(3), and (p)(7) of the Act (415 ILCS 5/21(p)(1), (p)(3), (p)(7) (2008)) by causing or allowing open dumping of waste in a manner resulting in litter, open burning, and deposition of construction or demolition debris. The violations allegedly took place at respondents' facility located at 405 Barkhausen Lane, Jonesboro, Union County. The property is designated with Site Code No. 1818580001. For the reasons below, the Board accepts the proposed settlement and dismissal of this administrative citation enforcement action.

On April 4, 2008, respondents timely filed a petition to contest the administrative citation. On March 26, 2010, the parties filed a "stipulation of settlement and dismissal of respondents' petition for administrative review" (Stipulation). Under its terms, respondents admit that they violated Section 21(p)(7) of the Act (415 ILCS 5/21(p)(7) (2008)) by causing or allowing the open dumping of waste in a manner resulting in deposition of construction and demolition debris and agree to pay the statutory civil penalty of \$1,500 for this violation. Stipulation at 2. Respondents also agree to dismissal of their petition contesting the administrative citation. *Id.* at 3. The stipulation further states that "[t]he waste located at the site that was the subject of this administrative citation has been removed and properly disposed of." *Id.* In addition, the Agency "agrees not to refer the violations that are the subject of this administrative citation to the Office of the Illinois Attorney General or any other prosecuting authority for the initiation of a civil enforcement action." *Id.*

The Board accepts the stipulation and proposal for settlement. Under Section 31.1(d) of the Act (415 ILCS 5/31.1(d) (2008)), the Board therefore finds that respondents violated Section 21(p)(7) of the Act (415 ILCS 5/21(p)(7) (2008)). Section 42(b)(4-5) of the Act (415 ILCS 5/42(b)(4-5) (2008)) establishes a civil penalty of \$1,500 for this violation, and the Board accordingly assesses a civil penalty of \$1,500. To effectuate the parties' intent that respondents

pay a total civil penalty of \$1,500, the Board dismisses the alleged violation of Sections 21(p)(1) and (p)(3) of the Act (415 ILCS 5/21(p)(1), (p)(3) (2008)).

This opinion constitutes the Board's finding of fact and conclusions of law.

1. The Board accepts and incorporates by reference the stipulation and proposed settlement.
2. The Board finds that respondents respondents violated Section 21(p)(7) of the Environmental Protection Act (415 ILCS 5/21(p)(7) (2008)).

6. The Board dismisses the alleged violation of Section 21(p)(1) and (p)(3) of the Environmental Protection Act (415 ILCS 5/21(p)(1), (p)(3) (2008)) and respondents' petition to contest the administrative citation.

IT IS SO ORDERED.
