**HEARING OFFICER ORDER**

On August 26, 2010, a telephonic status conference was held. The respondent did not appear due to a scheduling conflict. The petitioner stated that a permit recently issued in another matter will be used in this and other related permit appeals.

To that end, respondent's answer and record are due to be filed on or before December 23, 2010. The petitioner stated that it will file an additional 90-day waiver of the statutory decision deadline.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 30, 2010, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
