ORIGINAL

AMENDED HEARING OFFICER ORDER

On August 26, 2010, all parties participated in a telephonic status conference with the hearing officer. The respondent stated that it will forward additional financial information, including its 2009 tax return and specifics of the sale of the site in question to the complainant prior to the next status conference. The respondent represented that the additional information is an attempt to buttress its ability to pay claim.

The parties or their legal representatives are directed to appear at a telephonic status conference with the hearing officer on September 30, 2010, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party nonetheless is responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
