ORIGINAL

HEARING OFFICER ORDER

On August 30, 2010, the parties participated in a telephone status conference with the hearing officer. According to complainants, baffling the air vent has not made a noticeable difference in the noise level, to which respondents disagree. Complainants' noise expert would like to see blueprints or a diagram of the baffling. Respondents' attorney is not sure there is such a document, but she will check with respondents.

The parties are directed to participate in a telephone status conference with the hearing officer at 10:00 a.m. on November 1, 2010. The status conference shall be initiated by the complainants.

IT IS SO ORDERED.
