Re: Case # PCB 2010-103

October 4, 2010

To Whom It May Concern:

We are writing to voice our concern over the proposed expansion of the Dekalb County Landfill. We are terrified by the implications this landfill would bring to our town, and we are extremely upset by the fact that we did not have a chance to attend the original hearing regarding this matter. The reason we were not able to attend is because we didn't know it was occurring!

When a proposal like this is made and it could greatly affect our family, our health, and our town, one would assume we would be made aware of our chance to voice our opinion. However, that did not happen.

Sincerely,

Two handwritten signatures in blue ink. The first signature is "Michael Frykman" and the second is "Amber Frykman".
