HEARING OFFICER ORDER

On December 14, 2010, the petitioner filed its second agreed motion to supplement the record. The petitioner states that the administrative record did not contain critical correspondence between the Illinois Environmental Protection Agency and the petitioner, specifically, the reimbursement application, dated December 14, 2009. Motion at 1-2. The petitioner further states that the respondent has no objection.

The petitioner's motion is granted.

The parties or their legal representatives are reminded and directed to appear at a telephonic status conference with the hearing officer on January 20, 2011, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
