1 THE COURT: Good afternoon, all. My
2 name is Daniel Robertson and I've been appointed
3 by the Board to serve as hearing officer in this
4 proceeding entitled, In The Matter of Regulatory
5 Proposal for NOx Trading Program Sunset Provisions
6 For Non-Electric Generation Units, Amendments to
7 35 Ill. Adm. Code Part 217, Subpart U.

8 This matter is listed as R11-8
9 in the Board's docket. With me today is the
10 presiding Board Member Gary Blankenship. We are
11 also joined by Alisa Liu from our technical unit
12 and next to her we have Board Member Andrea Moore
13 and Board Member Carrie Zalewski. We also have
14 Attorney Tim Fox from the Board and one of our
15 interns Nick Garlisch.

16 I'd like to note for the record
17 that there are no members of the public present at
18 this time. Severe weather conditions on Tuesday
19 and Wednesday have caused travel throughout
20 Illinois to be difficult and, in many cases,
21 dangerous. The weather has also caused a number
22 of businesses and state agencies, including the
23 Pollution Control Board, to be closed yesterday.
24 Because of this, we will be continuing this

1 hearing on the record until a later date.

2 After discussions with the
3 parties involved, we have determined that date
4 will be Thursday, February 17th at 1:00 p.m. in
5 the Board's video conference room. That is
6 Room 11-512 located on the 11th floor of the
7 Thompson Center.

8 A hearing officer order will be
9 issued noting this decision. So, with that, thank
10 you for coming out today and this hearing is now
11 recessed and we will reconvene on the 17th.
