Re: Arendovich v. ISTHA, 29009-102

Dear Mr. Halloran:

The Tollway filed its Motion for Summary Judgment with the Pollution Control Board earlier today. During our last telephone status, I represented that I would file the Motion on or before December 17, 2010. Your Order indicated the same.

Unfortunately, due to a series of unexpected Tollway issues, I was unable to devote the time necessary to file the Motion on time. I spoke with Mr. Arendovich prior to the 17th and explained that I would likely miss the due date, but would be filing the Motion as soon as practically possible. He did not object.

Please accept this letter as the Tollway's Motion to File its Motion for Summary Judgment Instantly.

Thank you.

Very truly yours,

Robert T. Lane
